

Rental Showers

Download the latest version of the catalogue concerning rental showers here: [Download](#)

FSP-Tech® lets safety showers.

Normally safety showers are supplied and installed permanently.

For users that only need safety showers for a short-term and non-recurring operation we have safety showers to rent in Germany, the Netherlands, Luxembourg and Belgium.

Applications

- Standstills
- Construction sites with hazardous substances
- Protoypes and experimental plants

For further information please contact the FSP-Tech Team: [Contact](#)
